

Airstream Night at the Mets (Citifield)

On a home-stand weekend in **May 16 & 17, 2020**, Airstreamers will be able to park overnight at Citifield and attend both a Saturday night and a Sunday ballgame. We will be able to tailgate and to show off our Airstreams to all the fans at the ballpark with an open house.

The MetroNY Club is currently working with Representatives at Citifield to make this unique urban rally a reality. Your help is needed to tell the folks at Citifield how many Airstreams and how many fans they can expect. They need a certain number in ticket sales in order to make it worth it to them to provide security, publicity, etc.

If you are interested in participating please send the following information to Mark and Debbie Hammer at debbie@halimer.com: your name, e-mail address, the model and length of your Airstream and how many fans you would be bringing. For this estimate, please calculate if kids and grandkid, neighbors or other Airstream enthusiasts would be buying tickets so they could enjoy our tailgating and open house and cheer on a Met victory. You will be contacted when more information is available.
