Stunning Kingston is the gateway to 1000 Islands and the UNESCO-designated Rideau Canal. With centuries of history behind it, there's no shortage of things to see and do. Our weekend provides a chance to explore the area's many attractions in addition to our regular rally activities.

[Rideau Acres Campground](#) is located just 10 minutes from beautiful downtown Kingston. As you walk through this historical city, you'll appreciate the architecture. If you're a "foodie" and/or enjoy pubs, breweries and wineries, you're sure to be pleased with all the good flavours that Kingston has to offer. A visit to majestic Fort Henry will allow you to experience 19th century military life and cause you to reflect on the relationship between Canada and the US.

Our hosts, the Ontario Canada Unit, along with Region 2 President Rich, are busy planning a memorable weekend. So mark the date, get your passports out if you're crossing the border, and get ready to head to Kingston next spring!
